

Dear Families,

As part of our ongoing commitment to keep you informed and supported through the grade reconfiguration, we are reaching out with some important updates and next steps.

We are pleased to provide you with the new attendance boundaries map. The maps, which are included with this letter, outline the revised boundaries for our schools in light of the recent changes.

You can enter your address online to view which zone you are located in; visit:

<https://www.lpsd.ca/schools/attendance-area-maps>. Busing will be provided for students who attend the school they are zoned for. We understand that this is a significant aspect of the transition process; if you have questions, please do not hesitate to contact the Division Office at contact@lpsd.ca or at 780-875-5541.
