FOR IMMEDIATE RELEASE

June 18, 2024

Re: LPSD Celebrates LCHS teacher Rhae Fletcher- Recipient of a Regional Prime Minister's Award for Teaching Excellence in STEM

Lloydminster Public School Division is thrilled to announce that one of our outstanding teachers, Rhae Fletcher, has been awarded the prestigious Regional Certificate of Achievement for the 2024 Prime Minister's Award (PMA) for Teaching Excellence in STEM. This esteemed award recognizes exceptional contributions to education in the fields of Science, Technology, Engineering, and Mathematics (STEM).

Receiving the Prime Minister's Award is a significant achievement, a testament to Rhae Fletcher's exceptional dedication, innovative teaching methods, and her unwavering commitment to instilling a love for STEM subjects among students. This recognition is not just a personal triumph, but a proud moment for the school and the entire division, underscoring our commitment to excellence in education.

"I am honoured to receive the Prime Minister's Certificate of Achievement in STEM. It acknowledges not only my efforts but the collaborative spirit and support of my colleagues and mentors. I want to thank everyone who has supported me on this journey," said Rhae Fletcher. "This award strengthens my passion for STEM education, a field that continuously inspires me to innovate and engage young minds. I believe that through STEM education, we can equip students with the critical thinking and problem-solving skills needed to address some of the world's most pressing environmental challenges. Looking ahead, I am excited to continue exploring and learning what is possible within STEM education with the goal of inspiring the next generation of scientists, engineers, and innovators."

"We are incredibly proud of Rhae Fletcher and her contributions to our school and students. This award highlights her passion for teaching and her ability to inspire the next generation of STEM leaders," said Dwayne Marciniw, Principal of LCHS. "We look forward to continuing to support her innovative work in the classroom."
